James Anderson M.D.

Dr. Anderson is a board certified neurologist with additional board certification in pain management from the American College of Pain Medicine. He has also completed a residency in anesthesiology and a fellowship in Neuroanesthesia, as well as fellowships in electroencephalography, electromyography and neuromuscular disease. All of his training was at the University of Minnesota. He has practiced both anesthesiology and neurology in the Twin Cities over the last sixteen years. When he was in the United States Air Force, he was stationed in the Philippines where he worked as a neurologist.
